The information requested herein is due no later than 30 days from the date of this Order. 1. Has Working Assets Long Distance or any of its affiliates ever provided and/or collected any money from the public for the provision of intrastate telecommunications services in Kentucky? If so, explain in detail.

2. Does Working Assets Long Distance own and/or operate or have any affiliation with any companies which own and/or operate any coin-operated telephones in any jurisdiction? If so, explain.

3. On page 2 of Working Assets Long Distance's application, it is stated that operator services will not be offered. On the same page, it states that operator services are available. The rates associated with residential operator services are outlined in the tariff on Original Sheets No. 14 and 16. Explain these discrepancies.

4. On Original Sheet 6, Heading 3.5.2, after "prorated" delete "accordingly" and insert the clarifying language "based on the customer's usage in each rate period."

5. Refer to Original Sheet 4, Heading 2.1.12, of your proposed tariff. Clarify that pursuant to 807 KAR 5:061, Section 13, all toll charges shall be itemized separately.

11. Refer to Original Sheet 13, Section 19.2, of your proposed tariff. Service shall not be terminated for 30 days beyond the termination date if a physician, registered nurse, or public health officer certifies in writing that termination of service will aggravate a debilitating illness or infirmity on the affected premises.

12. Refer to Original Sheet 18, Heading "Other Discounts," of your proposed tariff. Explain the practice of allowing a discount for all calls made to political leaders who are subjects of an action alert.
